## **Supply List:**

Laura Heine Floral Collage Applique pattern

You can order these with (if available) or without a fabric kit. The website is [www.fiberworks-heine.com](http://www.fiberworks-heine.com)

Each pattern has its own supply list.

In the first class you will need your pattern

\*Floral fabrics (we have some florals - you will need a good assortment of colors!)

Check your pattern for yardage

\*Steam a Seam 2 or similar product

\*Scissors for cutting fabric

\*Applique or Teflon pressing sheet

\*Pattern Easy as listed

You will need scissors to cut the flower shapes out. For the applique you will need lots of floral prints in a variety of sizes and colors but you don't need yards of each fabric. A quarter yard or fat quarter of each fabric will be enough for the applique. Look at your pattern for inspiration. We will spend most of the first class organizing the background and cutting flowers. It is helpful to have plastic baggies to store different colors or fabrics.

Please read the supply list and general instructions for your pattern.

You do not need to bring a sewing machine, batting or backing to the first class.

All supplies with \* are available for purchase at Moore's!
